VENUE
In the historic and vibrant city of Thessaloniki, Capsis Hotel offers upgraded and sophisticated services to both corporate and leisure travelers. Capsis is the largest city hotel in Northern Greece. Conveniently located in the city center and within easy walking distance from all the main attractions and points of interest of Thessaloniki, it is the ideal accommodation choice. The hotel features fully renovated and ergonomically decorated rooms, state of the art conference facilities, restaurants, gym and hammam bath and an outdoor swimming pool in the Roof Garden. With an experience of over 50 years in the lodging industry we deliver upscale services that generate an ambiance of warmth and intimacy, the “trademark” of all Capsis properties.

THE CITY OF THESSALONIKI
Friendly, charming and with a hint of mystery and wealth of cultural attractions, the second largest city in Greece is located in the northern part of the country. It is a longtime melting pot of cultures, a feature that is reflected in the spicy flavors with eastern influences, as well as flavors from France and the Balkans, as well as the cosmopolitan atmosphere. This is also visible in the city’s architectural fabric, where Byzantine, neoclassical, turn of the century Art Nouveau and Eclecticism, Art Deco and more styles combine in the city center. Thessaloniki sprawls around an arc of coastline at the top of the Thermaic Gulf. The main area of interest to visitors is along the shore between the ferry port and the city’s emblem, the White Tower, and in the area that rises inland from here to the ancient city walls. It is the gateway to some fascinating parts of northern Greece – renowned beaches, inland destinations, and beautiful, refreshing mountains like Mount Olympus. The city is walkable and lively – a worthwhile destination in its own right.
