Organizing Secretary, SFEC 2021

Dr. Birendra K Sarkar
President, SFE-India

Dr. C K Katiyar
Vice-President, SFE-India

Mr. Indraneel Das
Vice-President, SFE-India

Prof. Pulok K Mukherjee
Secretary, SFE-India &
Chairman, Scientific Services, SFEC 2021

Poona College of Pharmacy, Pune (PCP) was established by Honourable Dr. Patangrao Kadam, in 1981, which pioneered pharmacy education in the Pune region. The institute was earlier affiliated to Pune University. Now it is a constituent unit of Bharati Vidyapeeth (Deemed to be University). As per the National Institutional Ranking framework (NIRF), by Govt. of India, the institute was ranked 22nd in the year 2020. National Accreditation and Assessment Council (NAAC) have accorded this university the most coveted A+ grade. The College has been included by University Grant Commission (UGC) under section 2 (f) & 12 (b) of its Act and it is inducted under its Special Assistance Program (SAP) and is presently in DRS Phase II. The institute also hold an ISO 9001:2015 Certification. The college is recognized as the QIP centre by AICTE for Quality Improvement Program. It also has AICTE funded Industry Partnership Cell & the Entrepreneurship Development Cell. The faculty members have published over 1400 research papers in peer reviewed national & international journals, filed around 47 patents & authored 52 books. PCP is a recognized as a reputed institute that offers B.pharm, M.pharm, Pharm.D, Ph.D degree programs and additionally B.pharm practice course for continuous education of retail pharmacist.

Society for Ethnopharmacology, India is registered under the West Bengal Society Registration act and also affiliated to the International Society for Ethnopharmacology. The society was formed in 2013 and has made its presence through the country, which provides networking opportunity for development and promotion of medicinal plants and ethnopharmacology. The Society works on dissemination of knowledge in this area through different local chapters made in different parts of India with the major highlights on *“Globalizing local knowledge and localizing global technologies.”* For further details please visit: www.ethnopharmacology.in

International Society for Ethnopharmacology (ISE), Switzerland is an International scientific organization of researchers dedicated to the interdisciplinary study of the pharmacological actions of plants, animals, insects, and other organisms used in medicines of indigenous and modern, past and present cultures. The major objective of the ISE is to promote Ethnopharmacology as a scientific field of research.

The Journal of Ethnopharmacology is dedicated to the exchange of information and understandings about people's use of natural products and their bio-prospecting. For details please visit: www.ethnopharmacology.org

Major Highlights of the Congress:

- Ethnomedicine and Ethnopharmacology in drug discovery and development
- Evidence based validation of traditional medicine
- Evaluation of safety, efficacy and quality of botanicals
- Translational Research Approach – Drug development from Botanicals
- Pharmacological evaluation of medicinal plants
- Identification and documentation of medicinal plants and traditional resources
- Herb-drug interaction studies
- Systems biology and synergy research aspects of natural product for drug development
- Quality control and standardization of Botanicals
- Spectroscopic Technologies for the Quality Control of Herbal Medicines
- Bioprospecting of medicinal plants products – an approach towards drug discovery
- Integrative approach for promotion and development of traditional medicine
- Development and evaluation of herbal formulation from botanicals
- IP rights, patents and regulatory affairs of medicinal plants
- Conservation & propagation of rare, endangered & threatened medicinal plants
- Plant breeding, Genetics & Biotechnology

Join the event and explore the opportunities
