

# 1<sup>st</sup> ANNOUNCEMENT

## 11<sup>th</sup> Convention Society for Ethnopharmacology, India

&

*International Conference  
on*

**“Bioeconomy from Bioresources:  
Promoting Traditional Resources of NER for Viksit Bharat”**

**November 15-16, 2024**

[www.icsfe24.in](http://www.icsfe24.in)

*Jointly Organized by:*

**Institute of Bioresources and Sustainable Development (IBSD) -  
Regional Centre, Sikkim**

**Tadong, Gangtok - 737102, Sikkim, India**

[www.ibsd.gov.in](http://www.ibsd.gov.in)

&

**Society for Ethnopharmacology, India (SFE-India)**

**Shaktigarh, Jadavpur, Kolkata - 700032, India**

[www.ethnopharmacology.in](http://www.ethnopharmacology.in)

*In Association with:*

**State Medicinal Plants Board  
Sikkim, Gangtok, India**

**Regional Ayurveda Research Institute  
Sikkim, Gangtok, India**

**Venue: Chintan Bhavan, Vishal Gaon, Gangtok, Sikkim 737101**

## About the Program:

The 11<sup>th</sup> Convention of Society for Ethnopharmacology, India (SFE) & International Conference on “Bioeconomy from Bioresources: Promoting Traditional Resources of NER for Viksit Bharat” will be jointly organized by the Institute of Bioresources and Sustainable Development - Regional Centre, Gangtok, Sikkim; Society for Ethnopharmacology, India in association with the Sikkim University, Gangtok, Sikkim; State Medicinal Plant Board, Sikkim, Gangtok and Regional Ayurveda Research Institute, Sikkim, Gangtok during November 15-16, 2024 at Chittan Bhawan, Sikkim, Gangtok, India.

In the North East Region (NER) of India, there are significant opportunities for developing a bioeconomy exploring the rich biodiversity and natural resources. A bioeconomy strategy in the NER, could involve various bioresources including plant resources, microbial resources and animal resources to develop biobased industries with the integration of research and development activity, capacity building and training with the involvement of different stakeholders, which will be helpful to identify opportunities, overcome challenges, and promote sustainable development.

This event will highlight on several contemporary aspect on Development of Bioeconomy from all natural resources of North Eastern region of India with special reference to those having impact on human health in all aspects. Several aspects of the impact on transformation of traditional knowledge based bioresources for the emerging economy will also be discussed. This will includes traditional medicine, medicinal plants, traditional foods and many others for betterment of the healthcare of the society and also promotion of Bioresources for Vikshit Bharat.

**Prof. Pulok K Mukherjee**

Chairman, ICSFE 2024  
IBSD, Imphal

**Dr. Lokesh Deb**

Organizing Secretary,  
ICSFE 2024, IBSD, Sikkim

**Dr. Nanaocha Sharma**

Jt. Organizing Secretary,  
ICSFE 2024, & IBSD, Imphal

**Dr. Pardeep K Bhardwaj**

Jt. Organizing Secretary &  
Coordinator, Scientific  
Committee, ICSFE 2024,  
IBSD, Imphal

**Dr. Sunil S Thorat** Coordinator,  
Accommodation Committee,  
ICSFE 2024, IBSD, Mizoram

**Dr. K. Jeyaram**

Coordinator, Venue & Local  
logistics Committee, ICSFE 2024,  
IBSD, Sikkim

**Dr. S. Indira Devi**

Coordinator, Press & Publicity,  
ICSFE 2024, IBSD, Imphal

**Dr. W. Mohendro Singh**

Coordinator, Website Committee,  
ICSFE 2024, IBSD, Imphal

**Dr. J.K. Shukla**

Coordinator, Transport  
Committee, ICSFE 2024, IBSD,  
Meghalaya

**Mr. Bishan Oinam Singh**

Coordinator, Management and  
Finance Committee, ICSFE 2024,  
IBSD, Imphal

**Mr. Birendra K Sarkar**

President, SFE, India

**Mr. Indraneel Das**

Vice President, SFE, India

**Dr. C K Katiyar**

Vice President, SFE, India

**Mr. Amitavo Das**

Treasurer, SFE, India

**Dr. Amit Kar**

Coordinator, Registration and  
Volunteer Management  
Committee, ICSFE 2024,  
IBSD, Imphal

## **INSTITUTE OF BIORESOURCES AND SUSTAINABLE DEVELOPMENT (IBSD)**

[www.ibsd.gov.in](http://www.ibsd.gov.in)

Institute of Bioresources and Sustainable Development (IBSD) is an autonomous Institute under Biotechnology Research and Innovation Council (BRIC), Department of Biotechnology, Ministry of Science and Technology, Govt. of India. Imphal, Manipur, having its presence in Gangtok, Sikkim; Aizawl, Mizoram; and Shillong, Meghalaya. The institute is working on Bioresources development and their sustainable use through biotechnological interventions for the socio-economic growth of the region with the major goal of scientific management of bioresources in the Indian region falling under Indo-Burma Biodiversity Hotspot. For further details please visit: [www.ibsd.gov.in](http://www.ibsd.gov.in)

## **SOCIETY FOR ETHNOPHARMACOLOGY (SFE)**

*“Globalizing local knowledge and localizing global technologies”*

[www.ethnopharmacology.in](http://www.ethnopharmacology.in)

Society for Ethnopharmacology, India is a registered under the West Bengal Society Registration act and affiliated to the International Society for Ethnopharmacology. The society was formed in 2012 and has made its presence with different activities throughout the country, for development and promotion of medicinal plants and ethnopharmacology. Society has organized 25 international event in different parts of India and abroad. The Society works on dissemination of knowledge in this area in different parts of India with the major highlights on “Globalizing local knowledge and localizing global technologies.” For further details, please visit: [www.ethnopharmacology.in](http://www.ethnopharmacology.in)

### **Targeted discipline and attendees**

Students, researchers, academicians, scientists, industrialists, healthcare professional, traditional healers and others from the discipline of Life Sciences/ Pharmaceutical Sciences/ Ethnopharmacology and Medicinal plant research. Professionals with experience in product development, policymakers can also participate in this program. We welcome scientific presentations from the researchers from industry and academia. Total number of participants in the seminar is limited & registration will be in first come first serve basis. This event will be conducted in both online and offline mode.

## Highlights of the Conference:

Eminent academicians, scientists, researchers, technologists, policy makers from universities, industries and other research organizations, traditional health practitioners, will share their experiences on the following topics:

- Bioeconomy from bioresources
- Globalization of Traditional Medicine: Tradition to Translation
- Promotion of AYUSH drugs
- Exploring medicinal plants for its cultivation, Sustainability and related aspects
- Ethnopharmacology in drug discovery and development- global perspectives
- Development and evaluation of traditional fermented foods
- Synergy research for development of Bioresources
- Bioprospecting of natural products – an approach towards drug discovery
- Ethnopharmacological survey and documentation of traditional healthcare practices
- of NER
- Business meet - Industry-institute partnership
- Exploring bioresources for Antimicrobial Resistance (AMR)
- Ethnopharmacology conclave - Traditional healthcare practices
- Ethno veterinary medicine
- Evaluation of safety, efficacy and quality of botanicals
- Analytical techniques for quality control and standardization of medicinal plants
- Perspectives of edible insects traditionally consumed in NER for health benefit.
- Artificial intelligence, machine learning and data science in developing bioresources.

## Accommodation:

Participants have to make their own arrangements for accommodation. The organizing committee will be helping in getting hotels in Gangtok city.

## Call for Abstract:

Research abstracts, broadly within the scope of the seminar thematic areas should be submitted by e-mail as attachment (icsfe24@gmail.com) within September 15, 2024. The abstracts must be original and unpublished work. Abstracts must be written in English. It should include title (14pt, bold, upper case), author(s) & affiliations, background, objective, materials and methods, results and conclusions. Name of the presenting author should be underlined. The text should be single spaced 12 pt, Arial all through. The abstract should be submitted within 250 words in .doc/.docx file. All accepted abstracts will be published in the e-proceedings of the seminar. For registration: <https://forms.gle/xWPssAK81ZKeaWVh6>
