Secretary, SFE, India

KLE Society, the sponsoring society of the KLE Academy of higher Education and Research, Deemed-to-be-University, Belagavi is the KLE Society, Belagavi. The KLE Society was established in 1916, and has over the years established itself as a rising star in the field of education and healthcare. The KLE Society celebrated its centenary year in 2015-16. This occasion was graced by Hon. Prime Minister Shri Narendra Modi ji. The KLE Society is unique as it was formed by seven visionary and dedicated teachers “Saptarshis” with philanthropic support from three generous Patrons. It is also unique in its association and governance, as it runs purely on democratic values and principles with a charitable objective. The Society has undergone rapid metamorphosis in the last 35 years as it has bloomed and blossomed from 35 institutions then to more than 310 institutions all over the country under the visionary leadership of Hon. Chancellor Dr. Prabhakar Kore now which in itself is an inspirational achievement. The collaborations with universities in the US, UK and Malaysia have added a whole new dimension to the K.L.E Society making it on par with reputed educational institutions worldwide. Under the unparalleled leadership the KLE Institutions has reached enviable heights. His spectacular chairmanship beyond 40 years, with the active support of his team of elected members, embodies the collective efforts of everyone in KLE, including 13,000 members of the trust, 1,38,000 students, and 18,000 strong faculty, in making KLE an international Education-destination. For further details please visit: www.klesociety.org

KLE College of Pharmacy was established in 1968 in the pleasant environs of JN Medical College, Belagavi, with the aim of providing quality education in pharmaceutical sciences. The courses started with, Diploma in Pharmacy (1968) followed by B. Pharm (1975), M. Pharm (1988), the Ph. D Programs (2000), M. Sc. in Clinical Pharmacy (2013) and eventually Pharm. D (2014). The institution became a constituent unit of KLE Academy of Higher Education and Research, Belagavi, [Deemed-to-University] in 2009. Over the past 50 years of its existence, the college has transformed into a center of academic excellence, which is evident by unique milestones such as NBA with six years and NAAC accreditation with A+. The institution is ranked 37th among Pharmacy colleges all over India by NIRF (MoE), in 2020, and was ranked 22nd consecutively in 2018 & 2019. The institute has a strong alumni association with over 2000 active members, who are placed globally at various positions in academics, Clinical, Industrial, Regulatory and Entrepreneurial services. The institute is also recognized as a Quality Improvement Program Nodal Centre and recognized as Continuing Education in Pharmacy (CEP) center by the Pharmacy Council of India.

KLE Academy of Higher Education & Research, Belagavi (Deemed to be University) KLE Academy of Higher Education and Research, situated in Belagavi, Karnataka, is a renowned deemed university offering a spectrum of academic programs. With its inception in 2006, it has emerged as a prominent center for education and research. The university is dedicated to fostering excellence in various fields, including medicine, dentistry, pharmacy, nursing, and allied health sciences. It boasts state-of-the-art facilities and a faculty committed to nurturing scholarly pursuits and innovation. KLE Academy emphasizes a holistic approach to education, blending theoretical knowledge with practical exposure. Its vibrant campus environment encourages intellectual discourse and holistic development. The institution is accredited by NAAC with 'A+' grade, and placed in reflecting its commitment to quality education. KLE Academy stands as a beacon of knowledge, shaping the future leaders and professionals of tomorrow.

Society for Ethnopharmacology (SFE), India is a registered under the West Bengal Society Registration act and affiliated to the International Society for Ethnopharmacology. The society was formed in 2012 and has made its presence with different activities throughout the country, for development and promotion of medicinal plants and ethnopharmacology. Society has organized 25 international event in different parts of India and abroad. The Society works on dissemination of knowledge in this area in different parts of India with the major highlights on “Globalizing local knowledge and localizing global technologies.” For further details, please visit: www.ethnopharmacology.in

International Society for Ethnopharmacology (ISE) is an International scientific organization of researchers dedicated to the interdisciplinary study of the pharmacological actions of plants, animals, insects, and other organisms used in medicines of indigenous and modern, past and present cultures. The major objective of the ISE is to promote Ethnopharmacology as a scientific field of research. The society is dedicated to the exchange of information and understandings about people’s use of natural products and their bio-prospecting. For details please visit: www.ethnopharmacology.org

Major Highlights of the Congress:

- Globalization of Traditional Medicine: Ethno pharmacology in drug discovery- Tradition to Translation
- Evaluation of safety, efficacy and quality of Medicinal plants their Conservation & propagation
- Integration Traditional medicine and modern Medical Sciences
- Promotion and Development of Ayurveda, Siddha, Unani Drugs – Indian perspectives
- Development of products from traditionally used plants
- Experiences of traditional healers working with institutions and the industry
- Standardization and quality control of botanical/herbal products
- Effects of propagation and cultivation practices on secondary metabolite production
- Bio economy from bio resources with special reference to NER
- Perspectives of Traditional knowledge, Traditional foods and traditional medicine with special reference to NER
- Integrative approach for promotion and development of traditional practices & Ethnopharmacology conclave
- Ethno veterinary medicine
- Bioprospecting of natural products – an approach towards drug discovery
- Development and evaluation of herbal formulation- industry institute partnership
- IP rights, patents and regulatory affairs of medicinal and aromatic plants
- Conservation & propagation of rare, endangered & threatened medicinal plants

Who Can Join

We welcome all the academicians, students, researchers and technologists from university, institutes and industries, health care professionals, cultivators of medicinal plants, industrialists and all other who are interested in the promotion and development of Ethnopharmacology and medicinal plant research to join this event to share their knowledge and expertise to strengthen the medicinal plant research at large. We welcome scientific presentations from the researchers from industry and academia. This year the program will be organized on site. Resource persons: Eminent academicians, students, researcher and technologists from university, institutes and industries, health care professionals, cultivators of medicinal plants, industrialists will share their research experiences. Total number of participants in the seminar is limited & registration will be in first come first serve basis.

Call for Abstract:

Research abstracts, broadly within the scope of the seminar thematic areas should be submitted by e-mail as attachment (sfec2025@klepharm.edu.in) within December 25, 2024. The abstracts must be original and unpublished work. Abstracts must be written in English. It should include title (14pt, bold, upper case), author(s) & affiliations, background, objective, materials and methods, results and conclusions. Name of the presenting author should be underlined. The text should be single spaced 12 pt, Arial all through. The abstract should be submitted within 250 words in .doc/. docx file. All accepted abstracts will be published in the e proceedings of the conference and congress.

Accommodation:

Participants have to make their own arrangements for accommodation. The organizing committee will be helping in getting hotels & hostels in Belagavi city.
